

We are looking forward to seeing all our sustaining member companies, and a few new ones, this summer at the 57th Annual IPTA School Transportation Conference & Trade Show. Your participation in Iowa's largest annual school transportation trade show scheduled to be held on July 19, 2022, will be a win/win for your company or organization. The conference will be held on July 18<sup>th</sup>, 19<sup>th</sup>, & 20<sup>th</sup> at the Airport Holiday Inn and Conference Center. The address for that location is, 611 Fleur Drive, Des Moines, Iowa. After March 1, 2022, go to [www.4ipta.org](http://www.4ipta.org) to register for a booth, or to see our previous year's conference photos and other information by scrolling down and looking under the yellow *Sustaining Member Info* heading in the bottom right corner of the website. Save the dates!

This letter should provide you and your sales team the information you need for planning your conference tradeshow event for your customers. The IPTA Board of Directors would like to welcome back our sustaining members and invite new companies and organizations to become a sustaining member of the IPTA. To be a sustaining member of the IPTA all you need to do is register for a booth and participate in our annual tradeshow on July 19th. Our booths go for \$550.00 for one booth, and that includes: *one table, two chairs, electricity, and Wi-Fi*. If you need a second booth it is an additional \$300.00, same as last year. School bus display parking outside or inside the main showroom hall will also remain the same as last year, \$750.00 for one bus, with an additional \$1,000.00 for a second school bus. Break out rooms are \$200.00 and are nice for small group gatherings. However, there are a limited number of rooms available. (Call for availability).

Many conferences charge for every item, however we continue to make every effort to keep our costs lower while maintaining a great list of conference programs for all attendees and our sustaining members. With a booth registration your company is added to our list of IPTA Sustaining Members for one year, and that includes (8) IPTA Newsletters, and access to our member website. Your company will also be included on the IPTA Sustaining Members section of our website providing direct access to your company website. Additional benefit, all sustaining member companies are listed on the majority of all our IPTA publications, and in every IPTA newsletter.

The IPTA also offers optional conference sponsorships: Early Bird Refreshments, General Sessions Breaks (*check for availability*), our sponsors in 2021 were, (Mon) Afternoon Luncheon (*Iowa Renewable Fuels Association*), (Mon) Evening Banquet (*Hoglund Bus Company*), (Tues) Morning Buffet Breakfast, (*Premier Wireless Business Technology Solutions*), the (Tues) Vendor/Award Luncheon sponsored by (*Auto Jet Muffler School Bus Parts Corp.*), & the (Tues) Family evening BBQ (*Truck Center Companies*). *Also available are* sponsorship of keynote speaker expenses, conference notebooks, promotional pens, attendee bags, conference flash drives and other conference materials, etc.

The IPTA Board of Directors has implemented four optional sustaining member categories, ***Diamond, Gold, Silver and Bronze Sponsorship Partners***. Each partnership level would provide companies opportunities to have better company name recognition throughout the year and during the 58<sup>th</sup> Annual School Transportation Conference and Trade Show. This type of optional sponsorship benefits the IPTA and the contributing companies with more exposure along the same lines of what other associations like, NAPT, NASDPTS, STN and IASB offer. If you are interested in this type of optional sponsorship please sign up on our website registration form or for more information contact Chris Darling, IPTA Executive Director at 712-830-3242.

Save the trade show date of July 19, 2022, booth registration will begin on **March 1<sup>st</sup>, 2022**, at [www.4ipta.org](http://www.4ipta.org). We want **you** to be a part of the Iowa Pupil Transportation Association at whatever level you choose.

Yours Truly,

Chris Darling

IPTA Executive Director
