

Becoming a member of the IPTA
or renewing your current membership is easy!

Website Primary Contact & Memberships

- ❖ There will be only **one primary contact at your school district** for information and billing.
- ❖ For **“New Members”** all you will need to do is go and click on the **“Join Now”** and provide your information. The program will automatically send out an invoice by email and you’re all set.

❖ **Renewing your IPTA Memberships for 2020-2021 will be much easier! No paper forms, the IPTA website will send members a renewal reminder by email to the primary contact only.**

❖ **The email reminders will go out automatically 3 times in advance for the membership renewal date. (30 days, 15 days and 2 days)**

❖ **Simply go to the website and renew the membership at any point and your all set for another year.**

Website Accepts Two Kinds of Payments

For the first time the IPTA website will accept three types of credit cards.

We continue to accept checks from community banks as we have in the past.

Now you have options! Choose the payment option that is most convenient for your school district.
